

Together driving
Change and Action
for TEC.

Launch of the TEC Action Alliance

29 March 2022

ITEC Conference

Alyson Scurfield
Co-Chair & TSA CEO

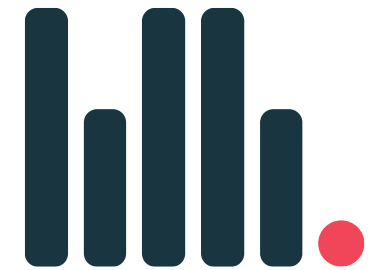

-  **Bring together partners and sectors for change and action**
-  **Supporting and influencing government towards collaboration and action**
-  **Getting the best results for TEC**
-  **Shared learning and experience with the Four Nations**

Our Partners

The voice of technology
enabled care

Clenton Farquharson
MBE,
Co-Chair &
TLAP Chair

-  **Opportunity to genuinely co-produce**
-  **Changing the way we work**
-  **The people who draw on care and support are the ones to drive the technology**
-  **Data that drives improvement and change, with consent of those using the services**

Jeremy Hughes,
Alliance Director

Raising awareness and action in care towards the potential of technology

Real empowerment of the individual to live as they want

A need to engage all sectors and stakeholders

Together driving
Change and Action
for TEC.
