adult social services

Beverley Tarka

Director of Adults, Health and
Communities, Haringey Council.

ADASS President

THE CARE WE WANT

The Care Act: 10 years on

- “**control by the individual** over day-to-day life”
- “suitability of living **accommodation**”
- “improve the **quality of care and support** for adults, and of support for carers, provided in its area”
- “**Information and advice** provided under this section must be accessible to, and proportionate to the needs of, those for whom it is being provided”

Care data matters: a roadmap for better adult social care data

This document sets out the government's roadmap for transforming adult social care data in England.

**How do we know we're
going in the right
direction?**
