Help our service grow and be rewarded with potential career progression opportunities

Ebisu Health are seeking enthusiastic, motivated Acute Clinical Practitioners to join our private online healthcare service, delivering quality consultations via a secure video link to the UK population. Ebisu focuses on the delivery of online care for a range of minor illnesses and ailments. Ebisu's purpose is to improve access to same-day healthcare advice and treatment of a range of acute minor medical problems.

The service will run 12 hours/day 365 days per year and staffed with a team of GPs and ACPs who provide excellence in healthcare to all age groups.

### **Role Description**

You will be the front face of Ebisu providing healthcare for a range of urgent care minor health problems; diagnosing and treating patients presenting with minor ailments and advising people in respect of their continuing medical needs.

You will work on a digital platform, from your own computer, forming part of a team of online ACPs, GPs and a clinical administration team.

You will work from a single appointment list, along with other healthcare professionals and will be supported and supervised by the online GP who will be available for advice and referral of patients with complex problems.

### **Requirements**

Registered with the NMC with a license to practice  
Credentials to support ANP status  
Band 7-8a with a nursing degree  
Registered Independent prescribing qualification  
A minimum of 2 years post qualification experience in an urgent or emergency care setting  
Advanced Qualification/training in Urgent Care or equivalent  
Enthusiastic and fun to work with a pleasant bedside manner  
Comfortable working autonomously with excellent clinical skills  
Evidence of continuing professional development  
Experience of leadership, mentoring and supporting healthcare colleagues  
You are within your competence to consult with children > 2 years  
Strong IT skills  
Home access to a reliable Broadband Internet and a Computer with a high-quality camera

### **We are offering**

Shifts between 4-12 hours  
Extra remuneration for weekend work, evenings and Bank Holidays.  
30K- 38K pro rata  
Group Indemnity for employees  
Work based pension scheme  
Annual leave 25 days plus 5 days study leave  
Sickness allowance  
Maternity and paternity allowance  
Support with CPD
