Help our service grow and be rewarded with potential career progression opportunities

Ebisu Health are seeking enthusiastic, motivated General Practitioners to join our private online healthcare service, delivering quality consultations via a secure video link to the UK population. Ebisu focuses on the delivery of online care for a range of minor illnesses and ailments. Ebisu's purpose is to improve access to same-day healthcare advice and treatment of a range of acute minor medical problems. The service will run for 12 hours/day, 365 days per year and requires a team of GPs and ACPs who can provide excellence in healthcare to all age groups.

Role Description

You will be the front face of Ebisu providing healthcare for a range of urgent care minor health problems; diagnosing and treating patients presenting with minor ailments and advising people in respect of their continuing medical needs.

You will work on a digital platform, from your own computer, forming part of a team of online ACPs, GPs and a clinical administration team.

You will work from a single appointment list, along with other healthcare professionals and will report to and be supported by the Clinical Director.

Ebisu Health is a CQC registered service licensed to offer advice, prescriptions, medical sickness certificates and private specialist referrals as part of a remote service.

Requirements

- Registered with the GMC with a license to practice
- MRCGP (Desirable)
- On an NHS performers list
- A minimum of 3 years post GP qualification
- Experience in an urgent or emergency care setting is preferable
- Enthusiastic and fun to work with
- Evidence of continuing professional development and successful revalidation
- Experience in leadership
- Evidence of mentoring and supporting healthcare colleagues
- Pleasant bedside manner is essential
- Strong IT skills
- Home access to a reliable Broadband Internet and a Computer with a high-quality camera

We are offering

- Shifts between 4-12 hours
- Extra remuneration for weekend work, early mornings, evenings and Bank Holidays
- 70K- 80K pro rata
- Group Indemnity for employees
- Work based pension scheme
- Annual leave 25 days plus 5 days study leave
- Sickness allowance
- Maternity and paternity allowance
- Free annual membership for you and your family

Please send your CV and a cover letter to enquiries@ebisuhealth.co.uk

Candidates may also apply to work as a GP locum.

If you've any questions or to arrange an informal conversation with the Clinical Director, please call 0844 351 0200

Please note this post may close earlier than the stated closing date if sufficient applications are received, therefore if interested please submit your application for consideration as soon as possible. We will initially contact you by email. Successful candidates will be contacted within two weeks of the closing date in most instances.
