# ENABLING HEALTHCARE AND DIGITAL SKILLS DURING COVID-19

[jon.reynolds@gdsdigital.com](mailto:jon.reynolds@gdsdigital.com)

# GDS DIGITAL - SUMMARY

- GDSD are a “service-integrator” and have a range of complementary solutions including secure connectivity, digital inclusion services, health & care support and remote monitoring.
- We are committed to promoting digital access and services to improve lives, skills and opportunities for all – this is achievable through open platforms and support for digital skills.
- We are delivering multiple public and private sector contracts and have been approved on Crown Commercial Service (incl. Covid-19 catalogue of suppliers) and NHS framework contracts.
- During Covid-19 we have been helping professionals and families connect for:
  - video calling for monitoring, reducing social isolation and “shielded outreach”
  - internet access with apps and services for care, health, wellbeing and living support
  - supporting reablement and rehabilitation
  - community engagement, interest groups and social contact
