# Our Impact

**We have awarded over 5.9 million in grants**

**Over 200 care workers have completed Mental Health First Aider training**

**Last year we made awards across every locality in the UK**

**We have supported 11,700+ care workers**

**262 care workers have accessed free counselling sessions**

# Care Workers' Say

**84% said a CWC grant prevented me from falling into financial hardship**

**“It’s really reassuring that care workers have somewhere looking out for them.”**

**69% were less likely to take time off from work due to mental health issues**

**“My counsellor is brilliant and helped me to get myself back”**

**98% said a CWC grant helped to feel more supported in my situation**

**“This (Mental Health First Aider) was the best training I have ever undertaken”.**

**Technology shouldn't replace Care Workers. It should support them to provide better care**

**Always consult your team**
